

The Dales Business Women virtual

Christmas Markets

Hiring a stall (members' guide).

What is a Virtual Christmas Market?

This year, in lieu of all the traditional, tangible Christmas Markets that may or may not be given the all-clear to go ahead, Dales Business Women are hosting a virtual, pop-up alternative. We'll be providing customers with the opportunity to browse for gifts ready for the big day, and independent businesses with a space to showcase their products.

How will it work? The pop-up website will be live over the course of a weekend, and will house descriptions and images of each vendor's products, allowing visitors to click through to their website and complete their purchase.

Why should I hire a stall?

What you'll get:

- Increase traffic to your website in the lead up to Christmas
- A shop window specific to your business to showcase your products
- The chance to host live-stream events talking about your products
- Publicity for your business via social media posts, including a saved Instagram story highlight and individualised posts.

What it might look like:

Our Prices

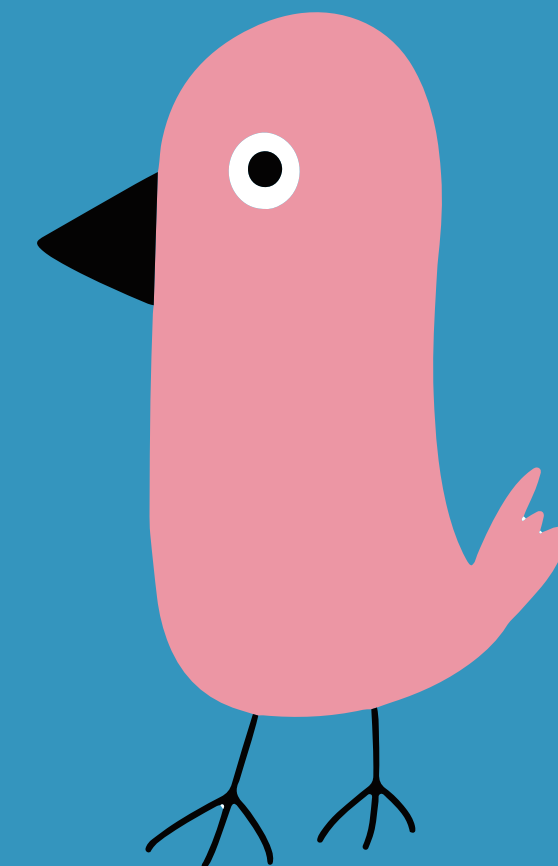

Main Price:

£30

Discounted price from £50
available to all Dales
Business Women members.

With early bird
discount*:

Basic	£25
Value	£20
Silver/Gold/ Platinum	Free

*To qualify for the
early bird discount,
purchase by the 21st
of September.

How To Secure a Stall

The Christmas Market will consist of several categories, in each of which there are two spaces to ensure that there is the widest possible variety of products on display. To avoid missing out, book early to secure one of the two spaces in your business' category.
